E \$10K PRIZE

The Cairns Foundation and the Volusia County UCF Business Incubator jointly present the Fifth Annual Cairns Foundation Innovation Challenge. The final pitch will be held at the Advanced Technology College on April 19, 2018 at 12:30pm. The goal of the Challenge is to promote the commercialization of innovations spawned by local students.

Donated by The Cairns Foundation

And One Year Enrollment in the Volusia County **UCF Business Incubator Program** at Daytona Beach International Airport

Second Prize \$5K Plus One Year Pre-Incubation Enrollment support at UCF Volusia County Business Incubator

The Challenge spotlights commercially viable technologies generated by the finest student minds at colleges and universities in our area. Both undergraduate and graduate students from Embry-Riddle Aeronautical University, Bethune-Cookman University, Daytona State College, and Stetson University are eligible to participate. Finalists from the four schools will present their innovative ideas to a group of local investors, providing the student entrepreneurs with a possible opportunity to advance their technology's commercialization through early-stage funding.
